

# Active Faith and Using The Law of Attraction to Make Space for Manifestation

Here are some **Law of Attraction remedies** for 'making space' for manifestation. This is based on the idea of using ACTIVE FAITH and 'acting as if' your desires have already manifested.

Florence Shovel Shinn phrases the process beautifully here:

*"True prayer means preparation. Having made your demands on the Universal Supply for any good thing, act immediately, as if you expected to receive it. Show active faith, thereby impressing the subconscious mind with expectancy."*

By 'prayer' here Florence refers to intention setting. And by 'Universal Supply' she means The Universe, God, Source of Force etc.

## It's the most potent energy field in the entire Universe that creates and governs *everything*.

The secret is this...

**When you set an intention or feel a desire that you'd like to manifest, the key is to channel your energy and vibration into the outcome as if it's already happened. You need to 'act as if'.**

This means buying a wedding magazine before you find the man, perhaps buying a fancy keyring before you buy the car or buying that little black dress before you lose the weight. **This activates the energy of expectation in your vibration and helps tremendously.**

The Universe LOVES it when you do this...

### ◆ To make space for manifesting ABUNDANCE:

◆ **To make space for manifesting a DREAM HOME:**

Get into the feeling space of checking out as many homes as possible that are for sale that you dream of living in. Not only does this raise your vibration, but it also matches you to the energy of your intention.

**And remember: If you want to manifest anything, make space for it in your life. Hold sacred space in your heart and trust that it's coming soon.**
